“Serving The Community”

JANUARY 2010 REPORT

POLICE CHIEF WES REVELS

CHIEF'S ACTIVITIES:

I attended an overview of a new restorative justice initiative that has been created in La Crosse County. The program is called the La Crosse County Veteran's Court Initiative and is designed to assist Veterans who have entered the Criminal Justice System. The initiative will identify those Veterans in need of services and match them with a mentor who will assist in obtaining the necessary resources. I will stay abreast of the progress of this program for the purpose of making future recommendations to the Monroe County Justice Coordinating Council.

The Department hosted a meeting of the Coulee Region Law Enforcement Executive Group. Approximately twenty-five members attended the meeting. We discussed issues related to mutual aid agreements, the regional tactical response team concepts, crime mapping and social networking as a tool for law enforcement agencies.

I'm continuing to work with City Administrator Bialecki and Attorney Berry for the purpose of bringing recommendations to the Common Council regarding Labor negotiations.

The Department hosted a meeting of the Monroe County Safety Coalition. This year we are increasing our involvement in the program titled, "Parents Who Host Lose the Most: Don't Be a Party to Underage Drinking" which is an element of the Alcohol and Drug Abuse School Community Alliance Coalition. The program is a relatively new project that is currently in over 50 communities in Wisconsin. The program is a coordinated effort involving parents, educators, police departments, health care providers and community leaders from all parts of the state working together to prevent and reduce underage drinking.

I met with the Our Town Tomah in January to begin the discussion related to the spring clean-up. We've scheduled the spring cleanup to take place on April 23 from 8:30 a.m. to 1:00 p.m. We will be receiving assistance from the Monroe County Community Services Program, some of Tomah's business owners and the environmental group, Roots and Shoots from the Tomah Senior High School.

The Dog Ordinance work group continues to make progress. The process of reviewing the current ordinances is nearing completion. The next stage of the process will be to discuss areas that are in need of additional language. The focus of any additional language will emphasize responsible pet ownership and commonly regulated behaviors.

Annually, the Wisconsin Department of Justice sponsors a training program for new Police Chiefs and Sheriffs. I was asked to present this year. I presented a short block of instruction on Community Partnerships.

I'm work with City Administrator Bialecki and Director Protz on the issues related to the Farmers Market.
