### **COMBINED TACTICAL UNIT**

#### COMBINED TACTICAL UNIT CALL OUT:

July 17: Search Warrant – Sparta. Monroe County Special Investigative Unit requested Combined Tactical Unit serve a high risk search warrant in Sparta. CTU personnel responded and quickly developed a plan that consisted of three elements. First, CTU personnel and K-9 would covertly approach the rear of the trailer and establish a containment position to apprehend anyone fleeing. Second, entry team personnel would approach on foot using a wooded area for concealment while the third element would arrive in the MRAP armored vehicle and position the MRAP in the driveway. Personnel in the MRAP would be responsible for additional containment and for a Flashbang deployment at the driveway window of the trailer if necessary. Upon approach the main suspect was observed on a couch inside the residence and the door was found unlocked. The “no-knock” warrant was served by simply opening the door and apprehending the suspect. Two females in the residence were also detained and the suspects and residence were turned over to investigators.

## INVESTIGATIONS

### **[14-0933] Knowingly Fleeing and Officer, Operating a Motor Vehicle While Intoxicated**

Tomah Officers received information that an intoxicated subject was leaving the Fort McCoy area in a RV. Officers located the vehicle and attempted a traffic stop. The operator failed to stop and traveled from Superior Ave. and Veterans St. to an address on Pine St. A high-risk traffic stop was conducted and the operator was taken into custody. The operator was intoxicated and processed at the Tomah Police Department. The operator was transported to the Monroe County Jail.

### **[14-0997] Road rage, Carrying a Concealed Weapon**

Officers were dispatched to the area of Wal-Mart for a reported weapons complaint. A subject reported that another subject had pulled a pistol on him. Officers learned that both subjects were in separate vehicles and in the area of Wal-Mart. One of the subjects attempted to change lanes and almost struck the vehicle of the other. The vehicles stopped at a traffic light and a male subject exited and confronted the operator of the other vehicle. This subject felt he was in danger and had his two children with him and retrieved a pistol from his glove box. The subject never pointed it at the other subject and instead just held it along his leg. This action was effective and caused the aggressor to leave. Officers did not pursue charges on either subject.

**[14-1024] Disorderly Conduct-Alcohol Related**

Officers responded to Wal-Mart for a report of a male subject who threatened to kill an employee. Officers arrived and learned the male subject was intoxicated and an employee refused to sell him alcohol. The male subject threatened to kill or shoot another person for trying to intervene and calm him down. The male subject was cited and released. Officers remained on scene until the male subject departed in a cab.

**[14-1025] False Complaint of Police Misconduct, False Swearing, Bail jumping**

A male subject claimed an officer swore at him, kicked him twice and struck him in the head with his pistol while being arrested. The entire contact was recorded with a mobile audio and video recording device worn by many City of Tomah Police Officers. The video clearly shows the allegations by the arrested subject were patently false. The Monroe County District Attorney is handling the case.

**[14-1037] Disorderly Conduct-Physical/Alcohol Related**

A Tomah officer was patrolling the downtown bar area and observed two male subjects engaged in a fist fight. The Officer was able to break the fight up. The Officer determined one of the males was upset that his girlfriend didn't want to go home with him. The other male thought the boyfriend was going to strike the female and stepped in and this is when the fisticuffs ensued. Both subjects received citations.

**[14-1059] Operating a Motor Vehicle While Intoxicated-2nd, Prohibited Alcohol Concentration**

A Tomah officer was patrolling the downtown bar area and observed a motorcycle at the intersection of Superior Ave. and Monowau St. The motorcycle was on its side and a male and female were trying to stand it up. The Officer had contact with the operator after the motorcycle was pushed to the side of the road. The operator smelled of alcohol and appeared impaired. The operator was administered field sobriety tests and the Officer established probable cause to arrest the subject for 2<sup>nd</sup> offense OWI. The operator was transported to the Tomah Police Department for processing and eventually released to a responsible party. The operator's Blood Alcohol Concentration reported value was .18 BAC.

Additional items for the July 2014 monthly report submitted to the City Council / Committee of the Whole -

#### **Monroe County Joint Investigative Task Force -**

Over the last year Sheriff Quirin, Chief Kass, and I have been talking about combining our efforts to address larger criminal cases. These cases could include drug investigations, death investigations, multiple burglaries, or other high profile cases. Over the last several months we have had meetings and have formalized a task force.

The Monroe County Joint Investigative Task Force (MCJITF) is multijurisdictional unit whose mission is to investigate high profile crimes, drug related crimes that have county wide implications, and/or other crimes where a dedicated group of investigators may increase the probability of solving a serious crime.

Each agency, Tomah/Sparta/Monroe County, have agreed to assign one detective to serve as an investigator who shall be deputized by the Sheriff. The three officers will be working out of a centralized location.

The Monroe County Sheriff, Tomah Chief of Police, and Sparta Chief of Police shall serve as the JITF governing body and shall mutually agree upon and designate a single JITF Administrative Officer (ADO). The ADO is responsible to establish investigative priorities, coordinate efforts to best support mission objectives, resolve conflicts within JITF, develop internal operating procedures, liaison with various agencies, provide guidance to assigned Investigators and keep the governing body apprised of JITF operations. The ADO is currently being staffed by a supervisor from the Monroe County Sheriff's Department.

Wages, to include regular wages and overtime, are the responsibility of each "home" agency. Conversely each agency is responsible for investigative fees which are incurred as a result of investigations within their jurisdictions. Those fees may include buy money, subpoena fees, translator fee's etc...

#### **Equipment/Building Maintenance Issues**

Two issues have come to our attention in the last month which will result in unbudgeted repairs being made.

The first was an issue with the battery backup supply for the elevator located at the Police Department. Replacement of this unit was approx \$750.00.

The second is an issue with the backup power supply/generator for the building. While doing preventative maintenance it was determined that there is an issue with a coupler located on the generator engine. This was located today (8-6-14) and it is unknown what these repairs will involve.

**Staffing**

Effective August 3, 2014 Jacob Jones has been promoted and will fill the vacated Sergeants position as a result of Lt. Holum's promotion.

On July 14 Officer Downey, who was a probationary employee, was released from the department. A background investigation is currently being conducted on an applicant which may result in a conditional offer of employment to a new officer.
